Ingredients

- **1 lb (450g)** raw shrimp, peeled and deveined
- **¾ cup** freshly squeezed lime juice (*about 6–8 limes*)
- **¼ cup** freshly squeezed lemon juice (*about 2 lemons*)
- **1 cup** diced cucumber
- **1 cup** diced Roma tomatoes
- **½ cup** finely chopped red onion
- **1 jalapeño**, seeds removed and finely minced
- **½ cup** chopped fresh cilantro
- **1 medium** avocado, diced
- Salt and freshly ground black pepper, to taste
- Tortilla chips or tostadas, for serving

Directions

- 1. Prepare the Shrimp:** Bring a pot of water to a boil. Add the shrimp and cook for 1–2 minutes until they turn pink and opaque. Immediately transfer the shrimp to a bowl of ice water to stop the cooking process. Once cooled, drain and chop the shrimp into bite-sized pieces.
- 2. Marinate the Shrimp:** In a non-reactive bowl (glass or ceramic), combine the chopped shrimp with the lime and lemon juices. Ensure the shrimp is fully submerged in the citrus juice. Cover and refrigerate for 30 minutes to 1 hour to allow the flavors to meld.
- 3. Combine the Vegetables:** In a separate bowl, mix together the diced cucumber, tomatoes, red onion, jalapeño, and cilantro.
- 4. Assemble the Ceviche:** After the shrimp has marinated, drain off some of the citrus juice if desired. Add the vegetable mixture to the shrimp and gently stir to combine. Season with salt and pepper to taste. Just before serving, fold in the diced avocado.
- 5. Serve:** Serve the shrimp ceviche chilled with tortilla chips or on tostadas.
