

## CAVIAR DE BERENJENAS

EGGPLANT (AUBERGINE)  
CAVIAR

## INGREDIENTS

- 1 lb 2 oz (500 g) eggplants (aubergines)
- olive oil, for brushing
- 1 lb 2 oz (500 g) tomatoes, seeded and finely diced
- 4 canned anchovy fillets in oil, drained and finely chopped
- 1 small onion, finely chopped
- 1 tablespoon chopped parsley
- 1 tablespoon chopped chives
- generous ½ cup (100 ml/ 3½ fl oz) single (light) cream
- salt and pepper
- bread slices, quartered and toasted, to serve

*Serves 8–10*

Preheat the oven to 425°F (220°C/GAS MARK 7). With the exception of the eggplants, keep all the ingredients in the coldest part of the refrigerator so they are well chilled and almost frozen, when needed. Cut the eggplants in half lengthwise and brush them with oil, then cook them in the oven for 20–30 minutes, or until the flesh can easily be removed with a spoon.

Remove them from the oven and, when they are cool enough to handle, cut the flesh into little cubes. Put the eggplants in a large bowl, then add the tomatoes, anchovies, onion, parsley and chives. Return the mixture to the refrigerator.

When you are ready to serve, lightly whip the cream and stir it into the eggplant mixture. Season with salt and pepper and serve with small pieces of toast.
